Concord Church is a "church of small groups." We believe that small groups are the best way to build a relationship with God and others. Small Groups consists of individuals who meet to study the Bible, share life with others and serve God and others. It's also where we pray together, care for one another, and encourage one another

If you are a visitor, new to Concord, or a long time member, we encourage you to get connected in at least one of the various small groups available based on your life stage, neighborhood, special interest or day of the week.

COMMUNITY GROUPS

Community Groups are small groups where members meet to share and study with others based on a common Life Stage and Special Interest. Community Groups meet primarily in the homes while some meet in restaurants, coffee shops, workplaces and on the Concord campus.
